BRIEF MENTIONINGS.

Events in and About the City Given in a Nutshell.

The Red Rose club will give a dance at Mozart Park on the evening of Tuesday, May 23, for which Prof. Rolf will play.

On Thursday evening, at Wheeling Park, the Opera House band will give a concert, with Mr. A. H. Knoll and Miss Marie McNeill, cornet soloists, as the star attractions.

The formal opening of the Day Nursery in its own handsome home will occur Saturday afternoon and evening, and the ladies are preparing an attractive programme. The public is cordially invited.

Col. W. B. Howell will have charge of the hotel at the Mountville camp grounds this season. The rotund colonial formerly conducted the Howell House, now the Nichols, on Water street.

There will be a meeting of the Progressive Republican Club at its rooms on Main street, Thursday evening at 8 o'clock. All members of the club and every member of the colored race are requested to attend.

The police last night raided the gambling establishments maintained by Harvey Roy, William Wells, George Gammon and Sam Brown. Several players were corralled. The cases will be heard by the mayor this morning.

The board of lady managers of the Altemheim home will give a strawberry festival on the evening of Thursday, June 7. Special motors will be provided for the large crowd that will doubtless be attracted to the beautiful grounds.

Squire Riddle, of Benwood, yesterday imposed a sentence of \$30 and costs each upon Henry Stoetz, of Fulton, and Mrs. Anna Johnson, of Benwood, for a delicate charge, preferred by the husband of the latter. Stoetz is also said to be a married man.

Black Prince Lodge No. 19, Knights of Pythias, will work in the third rank on Thursday evening. Members of the team and candidates are requested to be on hand early. Lunch of refreshments will be served. Members of sister lodges are invited.

Henry Belmont, a fake palmer, who left the Duard Hotel, on Twelfth street, several weeks ago, and likewise an unpaid board bill, totalling \$15, was strolling along the streets yesterday, drinking in the gladsome sunshine, until Constable Darby ran amuck of him, and the result was that Belmont was committed to jail for his appearance before Squire Dunning this afternoon.

The A. O. U. W. outing committee met last night, with Chairman Richard Robertson presiding. Progress was reported by the several sub-committees. The amusement committee reported that it had arranged for a number of attractive features, including wheelbarrow, old man's tub, egg and potato races, and handsome prizes will be given to the winners. The Opera House band has been engaged to furnish both concert and dancing music. The general committee adjourned to meet again next Tuesday.

Carl Hebrank Dies.

Special Dispatch to the Intelligencer. PARKERSBURG, W. Va., May 22.—Carl Hebrank, a popular and wealthy business man, son of the founder of the Parkersburg brewery, died here to-day, aged twenty-four years. He leaves a young wife.

THE GARDEN BENEFIT.

The Committee in Charge is Meeting With Pleasing Encouragement.

The gentlemen having in charge the arrangements for the two Decoration Day ball games, the receipts of which are to go to the family of Alex Garden, are leaving no stone unturned to make the day a memorable one in the way of sport, and at the same time net a snug sum for the worthy object of their labors.

Besides the ball games, which are between the county officials and lawyers in the morning, and the police and firemen in the afternoon, the committee is casting about for special attractions and have already arranged for a big cake walk after the afternoon game, and an exhibition of boxing between Oscar and Eddie Gardner.

Tickets for the games were printed and distributed yesterday, and can be found on sale at all the engine houses and at nearly all drug stores in the city and at Dent's drugstore in Bridgeport. The Wheeling Railway Company is lending valuable assistance in the matter, which is greatly appreciated by the gentlemen composing the committee. Mr. Garden was for nine years an employe of the railway company, and has for the past two years been unable to work, owing to locomotor ataxia, which has left him a cripple for life. He has a wife and three small children, and citizens generally will no doubt take this opportunity to lend a helping hand to a needy fellow being and at the same time enjoy an entertainment which for promised fun has seldom been equalled.

A SCIENTIFIC BREAKFAST.

Rightly selected food will cure more than half the diseases. Try a scientific and healthy breakfast: Fruit of some kind, preferably cooked; a dish of Grape-Nuts, with cream; two soft-boiled eggs. Put two eggs in a tin cup of boiling water, cover and set off for nine minutes. Whites will then be the consistency of cream, and easily digested. One slice of bread with butter; cup of Postum Cereal Food Coffee.

On that breakfast you can work like a horse, and be perfectly nourished until noon. Your nervous troubles, heart palpitation, stomach and bowel troubles, kidney complaints and various other disorders will gradually disappear and firm, solid health will set in.

Why? You have probably been living on poorly selected food, that is food that does not contain the required elements the body needs. That sort of food, and coffee, is the direct or indirect cause of more than half the illa the human body acquires.

Grape-Nuts is a perfectly cooked food and both that and the Postum Food Coffee contains fine microscopic particles of phosphate of potash, obtained in a natural way from the grains of the field and by scientific food experts incorporated into food and drink. That element joins with the albumen in food to make gray matter, which is the filling of the brain cells and the nerve centers all over the human body.

A man or woman thus fed is scientifically fed, and rapidly grows in vigor and vitality, and becomes capable of conducting successfully the affairs of life. To produce a perfect body and a money-making brain, the food must have the right kind of food, and the expert food specialist knows how to make it. That is Grape-Nuts and Postum Cereal Food Coffee, produced at the pure food factories of the Postum Cereal Co., Ltd., at Battle Creek, Mich.

A Few "Rigid" Facts About Our Refrigerators

"The Odorless" Is The Best.

The phrase "best" is used about a good many refrigerators which cannot claim to be odorless; that is to nullify every odor that will arise from placing various forms of edibles together. So the refrigerator which is not odorless cannot be the "best." We would like very much to show you how and why these refrigerators are so perfect in this regard. It is a very interesting scientific study. It gives you an insight into how to keep everything about your food sweet, clean and wholesome. Besides, "The Odorless" Refrigerators cost no more than those which are not odorless; don't cost as much as many that have simply a name reputation. These have a merit reputation, and that is worth a great deal more to you, particularly when you don't have to pay any more on that account.
